Trying to avoid that. We can speak WP if you like.  
Just want to give you a heads up.

If you don't want to speak, could you let me know the  
best email address to contact you on?

My email address is publicly available -  
[REDACTED] I gave your client the  
opportunity to clarify his position and he did not. He  
provided contradictory and false explanations to the  
media. I am afraid I will find it hard to take anything  
you send to me seriously.

Please note I will not accept without prejudice  
correspondence.
